

Vacancy for Agripool Assignment

Sustainable Services workshop - Mau Tea cooperative - Kenya

Project 24MAI-9684 Assignment 19833

Who are we looking for?

We are looking for 1 Agripool expert who can do sustainable services workshop at Mau Tea cooperative in Kenya. Do you speak English? Do you have experience with sustainable services? Agriterra is looking for 1 expert who can help to train members of the cooperative.

Context

Mau Tea Multipurpose Co-operative Society Ltd commonly referred to as Mau Tea is one of the leading Tea producing Companies in Kenya. The Multipurpose Co-operative Society is located about ten Kilometers from Kericho along Kericho-Nakuru Highway. James Finlay (K) Ltd managed Mau Tea Ltd for about seven years before handing over the management back to Mau Tea. On 5th September, 2002 the Estate changed its name to Mau Tea Multipurpose Co-operative Society Ltd and Mau Tea Limited underwent a liquidation process which was completed in the year 2008. On 2nd May, 2009 the Shareholders through its Management Committee took over the Management of the Tea Estate. However, the day to day running of the Society's businesses is undertaken by a team of its own Management staff. In 2019, the society was scoped during the cooperative Landscaping Assessment.

The assignment

To support Mau Tea Multipurpose Cooperative in setting up a SMART and financially sustainable farmer-led services system, including an action plan for one year.

Country: Kenya

Period: 20 -26 October 2024
